Newsletter No.35

Dear Parents,

Fete

Thank you to everyone who helped with the organisation, set up and dismantling of equipment for the fete. It was a big undertaking and a lot of work was put in to make the day a huge success. Talking to parents during the week, it was evident that those that attended had a great time. A special shout out goes to the Parents and Friends Committee, as they put in many hours to pull it all together.

At the point of writing this newsletter, I do not know how much was raised. I will let you know of the amount in the next newsletter.

Holy Name mentioned in the Herald Sun

In today's Herald- Sun (page 3), Tarryn Stokes, singing and keyboard teacher with Ace Music at Holy Name, has appeared in the paper along with some of the children who take singing/keyboard lessons. Tarryn has qualified as a finalist for the show 'All Together Now'. Tarryn has made it to the Grand Finale and will be singing on Sunday Night's show. This is a great example of someone overcoming her own anxieties and fears to pursue her dreams, I couldn't think of a better example for our students.

Mobile Phones

This week I spoke to the children about their use of mobile phones. Each day, a number of phones are brought to school. For most of the children, this is because they need to contact parents to determine how they are getting home. Others have been using their phones to take photos of unsuspecting students. Taking a photo without permission is not acceptable and can land someone in a lot of trouble. While on school grounds, children should not be using their phones. If your child does not need their phone, please deter them from bringing it into school. While I know this can be difficult, learning to moderate phone use at a young age will ultimately help them in their teenage years.

Closure Day

November the 28th (Wednesday) is a School Closure Day. On this day, the staff will begin planning for 2019 in their new teams.

Fees

Thank you to those families who have paid their school fees. Just a reminder that these are now overdue. If you are experiencing financial difficulty, please come and speak to me.

GRADE 3 & 4 SOCCER TOURNAMENT

Last Friday 16 November, twenty Holy Name Grade Three & Four students represented our school in the 2nd instalment of the Grade 3 & 4 Reservoir High Futsal Cup.

The matches were competitive and played in good spirits, and the Holy Name students participated with wonderful enthusiasm. Split into four teams, there was little rest on offer for the Holy Name sides, who took on each challenge brilliantly, growing in skill throughout the day, whilst constantly demonstrating good sportsmanship internally and towards their opponents.

I'd like to congratulate the twenty Holy Name Grade Three & Four students for participating so positively throughout the day!

GRADE PREP, ONE & TWO GYMNASTICS SESSIONS

As part of our partnership with the Sporting Schools Program, we have been lucky to receive a grant which has allowed us to facilitate four Gymnastics sessions for our Grade Prep, One & Two students throughout Term Four. The sessions will be run in partnership with an external professional gymnastics coach, named Kate, and the sessions will be extremely beneficial for the movement, development and coordination of our junior students.

What we've been up to this last week.....

This week has been super exciting. We had a Yoga Bear visiting us and teaching us some basic yoga exercise. The yoga teacher taught us some breathing and stretching techniques.

We have also set up our Christmas tree. The children have painted some reindeers to display around the centre or they can take it home.

Next week we will be writing letters to Santa and sending them to the North Pole.

Also, a reminder for parents if you want to attend for a trial, the first session is free.

**This term, we need to wear hats and sunscreen when we are playing outside.
